Welcome note
Message from the CEO

Welcome to
Imperium International Secondary School.

Every student is unique, with their own strengths, aspirations, and potential waiting to be discovered. At Imperium International Secondary School, we believe education is about more than academic achievement; it is about developing confident individuals with the character, curiosity, and resilience to navigate the opportunities and challenges ahead.

Our commitment is to provide a supportive environment where students are encouraged to explore their interests, embrace challenges, and grow into individuals who can make a positive contribution to society.

As the world continues to evolve, the qualities that define us as human beings become increasingly important. Creativity, communication, collaboration, empathy, and adaptability are essential qualities that help young people thrive in a changing world.

At IISS, we are committed to nurturing these qualities while supporting every student's personal journey. Through strong partnerships with students, parents, and educators, we aim to create a community where every learner feels valued, inspired, and empowered to achieve their aspirations.

Thank you for placing your trust in Imperium International Secondary School. We look forward to being part of your child's growth, achievements, and journey ahead.

Warm regards,

Anne Rajasaikaran

Chief Executive Officer
Edumaax Education Group

Opening note

Message from the HOS

Dear Students, Parents, and Members of the IISS Community,

It is both an honour and a privilege to join Imperium International Secondary School as a head of school. I am delighted to become part of this growing school community and look forward to working closely with our students, parents, teachers, and staff as we continue to build a school where every learner can thrive.

Having worked in education and school leadership across different countries and cultures, I firmly believe that outstanding schools are built on strong relationships, high expectations, and a shared commitment to student success. At IISS, we have a unique opportunity to create a learning environment where academic excellence, character development, creativity, and global citizenship go hand in hand.

As a Cambridge school, we are committed to providing a high-quality international education that challenges students to think critically, communicate effectively, and develop the skills needed to succeed in an ever-changing world. At the same time, we recognise that every student is unique and deserves encouragement, support, and opportunities to discover their individual strengths and passions.

My vision for IISS is to foster a culture where students feel safe, respected, and inspired to achieve their personal best. We will continue to focus on strong teaching and learning, student wellbeing, meaningful partnerships with parents, and the development of confident, responsible young people who are prepared for future success.

I believe that education is most effective when schools and families work together. Open communication, mutual respect, and a shared commitment to our students will be at the heart of everything we do. My door will always be open to parents and students, and I welcome your ideas, feedback, and involvement as we continue to grow and strengthen our school community.

Thank you for the warm welcome I have already received. I am excited about the journey ahead and look forward to meeting each of you and celebrating the many successes that lie before us.

Together, we will continue to make IISS a place where students learn, grow, and excel.

ABOUT IMPERIUM INTERNATIONAL SECONDARY SCHOOL

Preparing Students For A Changing World

Imperium International Secondary School is committed to providing a meaningful international education experience that develops students academically, personally, and socially.

Through a balanced approach combining academic excellence, character development, and future-ready skills, IISS empowers students to become confident, independent learners prepared for higher education and beyond.

Our Cambridge IGCSE pathway provides students with a globally recognised qualification while developing critical thinking, problem-solving, and lifelong learning skills.

At IISS, we recognise that every student has unique strengths and aspirations. Our role is to provide the guidance, opportunities, and support needed for every learner to achieve their goals.

WHAT SETS IMPERIUM INTERNATIONAL SECONDARY SCHOOL APART

More Than Education. A Journey of Growth.

Choosing the right school is about finding a place where your child feels supported, challenged, and inspired.

At IISS, students benefit from:

Cambridge IGCSE Curriculum

A globally recognised qualification that provides strong academic foundations and prepares students for future pathways worldwide.

Supportive Learning Environment

A structured and caring environment where students receive guidance, encouragement, and personalised support throughout their learning journey.

Character & Personal Development

Beyond academics, students develop confidence, resilience, leadership skills, and values that prepare them for life beyond school.

Future-Ready Skills

Students develop essential skills including critical thinking, creativity, communication, collaboration, and adaptability.

Accessible International Education

Providing quality international education opportunities for families seeking a strong academic foundation for their children.

SOFT SKILLS AND CHARACTER DEVELOPMENT

PROSPECTUS
Nurturing Independent Learners for the Future

OUR EDUCATIONAL APPROACH

Developing Confident Learners with Purpose.

At IISS, we believe successful students are not only defined by their academic achievements, but also by their ability to think independently, collaborate effectively, and approach challenges with confidence.

Our approach focuses on:

Academic Excellence

Building strong foundations through a structured and internationally recognised curriculum.

Personal Growth

Encouraging students to discover their strengths, develop confidence, and take ownership of their learning.

Character Development

Instilling responsibility, respect, resilience, and positive values.

Lifelong Learning

Inspiring curiosity and encouraging students to continuously improve and explore new possibilities.
