MESSAGE FROM THE HEAD OF SCHOOL

Welcome to the 2026/2027 School Year!

As we begin the new academic year, it is wonderful to see learning, discovery and growth taking place across our campus once again.

Our team has been busy preparing, and it's wonderful to see campus life back in full swing. To our returning students, this year brings fresh goals and new challenges to build on all you've achieved. To those joining Imperium for the first time, welcome to our growing international school community.

At Imperium, we believe education is about more than academic success it's about nurturing confidence, character, curiosity, and a genuine love of learning. Here's to an exciting year ahead, full of new milestones and memories. Welcome back, Imperium!

SEPTEMBER HIGHLIGHTS

Welcome to the IISS Family

A warm welcome to our new students! From meeting new friends to discovering their new learning environment, our Student Orientation was filled with excitement, smiles and new beginnings.

AUGUST HIGHLIGHTS

Building Partnerships, Expanding Opportunities

While our students were enjoying their school break, the IISS team was busy preparing for a new academic year. August saw us strengthen partnerships through MoU signings and collaborations, while our teachers and staff worked behind the scenes to get our classrooms and learning spaces ready to welcome students back in September.

LEARNING, GROWING & PREPARING FOR EXCELLENCE

September was a month of learning and connection, with IISS teachers and staff taking part in various training sessions, professional development activities and meet-and-greet sessions, including The Colored Brain, Departmental SOP & Policy Training, Cambridge Training, Safeguarding, Digital Citizenship, and Mental Health Training, Meet & Greet: Skills for English (PSI), and Safeguarding & Child Protection Policy 2026/2027.

Safeguarding, Digital Citizenship, and Mental Health Training
02 Sept 2026

These sessions gave our team opportunities to gain new knowledge, build practical skills, and strengthen their understanding of key areas that support teaching, learning, and student wellbeing. Through continuous learning and collaboration, our teachers and staff continue to prepare themselves to provide a supportive and enriching environment for our students.

CONNECTING WITH OUR COMMUNITY

Throughout August and September, IISS connected with the local community through a series of promotional booths and outreach activities at City Mall, Infinity Sports Arena 2.0, and SJK(C) St. James. These events gave our team the opportunity to meet prospective students and parents, introduce them to the IISS learning environment, and share more about our academic programmes and school community. More importantly, they allowed us to build meaningful connections with families and community members while bringing the IISS experience beyond our campus.

HOSTING EDUCATION LEADERS & PROFESSIONAL DEVELOPMENT

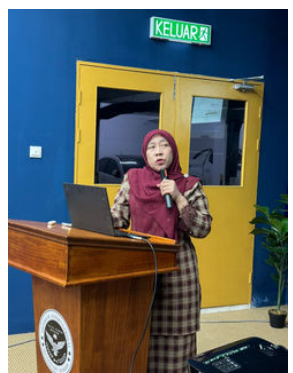

IISS was pleased to welcome education leaders and professionals to our campus for the three-day NPQEL Principal Training organised by the Ministry of Education Malaysia (MOE), held from 11-13 September 2026. The programme provided a valuable platform for professional development, knowledge sharing, and collaborative learning, allowing participants to exchange ideas and strengthen their leadership practices. We were also honoured to host the Private Education Unit Meeting organised by Pejabat Pendidikan Daerah Kota Kinabalu (PPD Kota Kinabalu), creating further opportunities for meaningful engagement within the education community.

- 30 Oct - 1 Nov** Open Booth - Big Sabah Sale 2026 at SICC
- 7-8 Nov** Open Booth - Ideas Playground 2026 at SICC
- 7-8 Nov** Student Leadership Week

BEYOND THE CLASSROOM: LEARNING, CREATING & GROWING

Beyond the classroom, learning continues through experiences that encourage our students to explore, create, collaborate, and grow. Throughout September, students took part in Inter-House Esports, House Club activities, Reading & Literacy Week, and community engagement through the Interact Club.

These activities gave students opportunities to discover new interests, express their creativity, strengthen teamwork, and build confidence beyond their regular lessons. From presenting creative projects to taking part in community activities, our students continue to learn through experiences that help them grow as individuals and as a community.

Reading & Literacy Week

Our students took part in Reading & Literacy Week, a week dedicated to encouraging a love for reading, creativity and meaningful learning. Through a variety of activities and creative projects, students explored stories, shared their ideas and discovered different ways to express their understanding.

What's Next at IISS?

Stay connected with us as we continue to grow, learn and create new experiences together.
